## Suggestions given by IQAC

### For the Session 2018-19

The Internal Quality Assurance Cell (IQAC) has become a driving force for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality. All the quality assurance measures across academic, planning and administration, which were earlier independently monitored and executed at different levels, are now supervised by the IQAC. IQAC suggested several quality initiatives for the institution for the session 2018-19:

- Strengthening of ICT infrastructure.
- Training to girls students for self defense and self grooming.
- Should go for renewable energy sources.
- To aware the students about their fitness.
- Strengthening of mentoring programme.
- Institute should initiate the participation in NIRF.
- Students should be motivated to participate in Job fairs.
- All PG departments should strengthen Gyanshala Project for imparting coaching to competitive exams.
- Training to faculty members for enhancing their capabilities.
- Office should be digitized.
- A project for inculcating sanskars(Moral Values) should be initiated.
- College should go for e-version of BHUTESHWAR magazine.
